SAFE AREA

FOLD

FOLD

SAFE AREA
Keep any crucial content, such as text, within the green lines so it doesn't get too close to a trim or fold line.

FOLD LINE
This is where your brochure will fold.

BLEED
For graphics that bleed beyond the final trim, be sure to extend art to the "bleed box" which is .125" past the trim box.
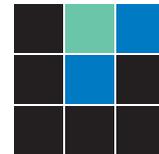

INSIDE FOLD PANEL
4.625"

OUTSIDE BACK PANEL
4.6875"

OUTSIDE FRONT PANEL
4.6875"
